## NOTICE TO NAVIGATION INTERESTS

### INTRACOASTAL WATERWAY, CANAVERAL HARBOR, FLORIDA

1. **Canaveral Lock Closure:** The Canaveral Lock will be partially closed for upcoming repairs to the South Chamber Guide Wall. The existing West End of the South Guide Wall has suffered a structural failure and the remaining portion is in very poor condition due to age. A contract is expected to be awarded in the next few weeks to replace the Chamber Guide Wall. As part of the agreed upon restrictions during commencement of the work, the lock will be opened for vessel traffic, one lockage each direction from 6:00 am - 7:00 am and 6:00 pm – 9:00 pm. Monday – Friday, and normal operating conditions on the weekends. There are no exact dates for when the construction will begin and a new Notice to Navigation will be issued when the final dates are determined. It is estimated that the construction will begin in October, 2012 and completed in approximately 6 months. If any information changes after the date of this notice, a new Notice to Navigation will be issued promptly with the new information.

a. **(Canaveral Lock):** Canaveral Lock is scheduled to begin operating under restrictions beginning October, 2012 through March 2012. Exact dates are yet to be determined. When construction begins, the weekday locking hours for vessel passage will be 6:00 am -7:00 am, and 6:00 pm - 9:00 pm. Monday-Friday. There will be no lock restrictions on the weekends. However, any vessel that requires greater than 45 feet horizontal clearance will need to be scheduled for passage 7 days in advance with the Lock Master to allow for construction vessel movements, regardless of the weekday or weekend.

b. The Lock Master at Canaveral Lock is Mr. Mike Mannhardt and the phone number is (321) 783-5421.

2. Additional information concerning Canaveral Lock or other Navigational interests may be obtained by accessing the Jacksonville District web site at <http://www.saj.usace.army.mil> and choosing the OPERATIONS DIVISION tab and selecting the NOTICE TO NAVIGATION from the pull down menu. Please call the US Army Corps of Engineers at 904-232-2103 (Aaron Kelly) for the latest information regarding the lock status.
